Portrait Tips

On portrait day

Don't forget to bring a casual outfit for your session! Please arrive at least 10 minutes prior to your portrait session. Students have found the extra time is helpful for straightening shirts, checking out the venue, and seeing how the portrait session works.

TIPS FOR THE LADIES

Simplicity is best. This applies to cosmetics, hairstyles, jewelry, and clothes. If you wear nail polish apply a fresh coat. A white blouse is ideal for the traditional gown portraits.

TIPS FOR THE MEN

A well pressed white shirt and dark tie are a must. Please make sure your shirt collar fits properly when done up. Have a close shave first thing in the morning.

After your portrait session

PROOFS

Approximately 3-4 weeks after photo day you will receive a set of proofs either via school distribution or by mail to your home address.
