

## United Nations International Day for the Elimination of Racism

Toronto District School Board commits to standing up against discrimination and acts of racism in all of its forms. Anti-Black racism, anti-Indigenous racism, anti-Asian racism, antisemitism and xenophobia, whenever and wherever they occur. Now more than ever, we need to work together, to build a more just and inclusive world for all of us. This year to honor the International Day for the Elimination of Racism, the United Nations has chosen its theme, “Youth Standing Up Against Racism” using the hashtag, #FightRacism, which aims to foster a global culture of anti-discrimination and calls on each and every one of us to stand up against racial injustice.
